Guidelines for crime prevention

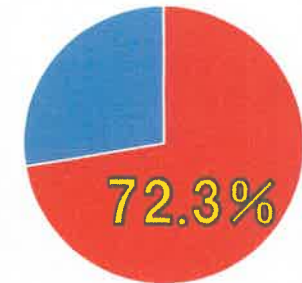

Shizuoka Police

○ Bicycle thefts, bike thefts

Bicycles and motorcycles may be stolen when parked.

○ Approximately 70% of the stolen bicycles were left unlocked

■ unlocked ■ locked

〜 Beware 〜

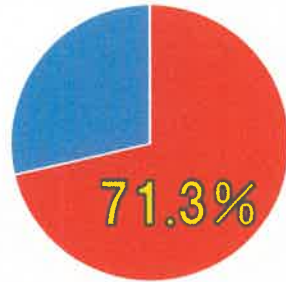

- When you leave your bicycle, always lock it !
- Double its safety by adding a cable or chain lock
- Park at a well-managed bicycle parking lot
- Always use the steering lock on your motorcycle

○ Theft from a vehicle

Unattended baggage (money and valuables) in parked vehicles may be stolen by having its door opened, it unlocked or windows shattered.

○ Approximately 70% of damages were in "unlocked" cars

■ unlocked ■ locked

～ Beware ～

- Don't leave any valuables inside the car
- Look all doors even if you leave your car for a few minutes
- Use parking lots under security monitoring measures

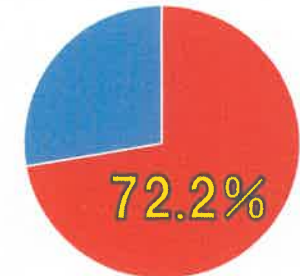

○ Snatching

Any bag or valuables you are carrying may be snatched.

A snatcher may approach by foot, bicycle or motorcycle to commit the crime

○ Most of the victims are women

■ Women ■ Men

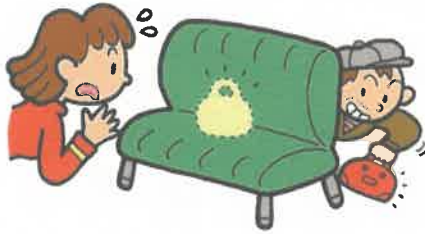

～ Beware ～

- Beware of the way you hold your bag
(On foot) Carry the bag with a strap diagonally across your body and hold it opposite the roadside
- (By bicycle) Use a cover or net on the basket to prevent from snatching

○ Luggage stealing

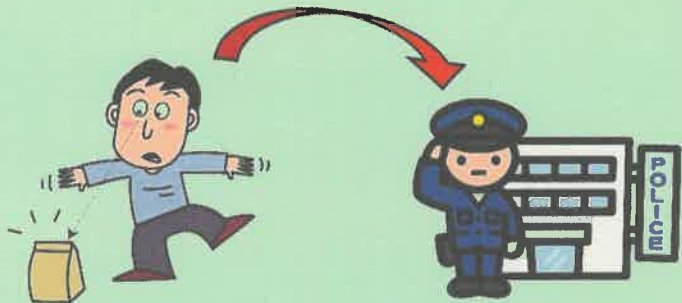

Your belongings or valuables may be grabbed when left unattended even for a moment

~ Beware ~

- Always carry your belongings with you
- Keep your valuables at hand

- If you find any lost property, take it to police.
- Taking hold of a property instead of handing it over to the police is an act of violation.

○ Acts of indecency

Cases of indecency are being reported, such as victims being clung by perverts at night streets or trains and upskirt sneaky photos/videos taken at bookshops or general stores

~ Beware ~

- Avoid shortcuts through dangerous places and take the safer route
- Carry a noisemaker or whistle
- Pay attention to the things around you.
Using a cellphone or listening to music with a pair of earphones as you walks... it's dangerous
