☆There have been many incidents of bicycle theft!

☆Take measures to protect your bicycle!

<How to protect your valuable bicycle>

- Please be sure to lock your bicycle when parking it!
- Install another lock on the bicycle!
- Replace the locks with locks that are harder
for thieves to break or open!

~~Scam calls from foreign countries using numbers beginning with '+1,' '44,' and '010' are increasing!~~

<What to do when you receive a call from an unknown number>

- Do not answer the phone!
- Do not try to call back!
- Please set your phone to not receive calls
from suspicious numbers!
- If you accidentally answer the phone, hang up immediately!
