

# MICE MENU (Mt.Fuji & Izu Area)

## Planning Your MICE Event

Here we introduce some special ideas for MICE. Why don't you plan your conference or party in an unusual and unique way such as below? Please direct the enquiries to Shizuoka East Convention Bureau.

### [FUJI INTERNATIONAL SPEEDWAY]

#### Conference in the Circuit Course

694 Nakahinata, Oyama-cho Sunto-gun, Shizuoka 410-1307 <https://www.fsw.tv/>

We offer special rooms, located on the 2nd floor of the pit building to hold your convention, right across from the main grandstand. This is the only place where you can watch racing cars speed past just below from venue rooms.

- Crystal Room (9 special rooms) 2nd floor of the pit building A.
- Area: 308 sq. m. (22m\*14m) per room. Max 924 sq. m. combining 3 rooms.
- Equipment: 5 round tables for 8 seats, 50 chairs, sound equipment, screen, monitor.
- Food (Catering): Standing buffet / bento / drinks.

#### [Special Plans for Weekdays]

1. Circuit Taxi (Max 3 people per day): Run three laps around Fuji International Speedway's circuit by a pacemaking car. You can enjoy the same view as the drivers.
2. The Circuit Experience: Enjoy three laps around the circuit on your chartered bus.
3. Safety Driving Program (by Mobilias): Join a safe driving lecture on high speed full braking, noslip starting on slippery roads, simulation of drunken driving and emergent risk avoidance at Mobilias.

### [NUMAZU GOYOUTEI IMPERIAL VILLA / THE EAST HOUSE]

#### Conference and Meal at 'Imperial Villa', Used in the Three Periods of Meiji, Taisho, Showa.

2802-1 Tougou, Shimokanuki, Numazu-shi, Shizuoka 410-0822 <http://www.numazu-goyotei.com/>

Goyotei is a recreational resort facility, or Imperial villa, once used by the Imperial Family. Numazu Goyotei, built in 1893, and with subsequent extensions and renovations, was loved and frequented by the successive Imperial Family until 1969. In 1903, the East Wing was a place of study for the Imperial grandchild (the future Emperor Showa) and is now used for meetings and meals. Savor succulent seafood, fresh from the beautiful Suruga Bay, located immediately in front of the villa. Enjoy local cuisine with farm-fresh local vegetables while basking in the rich history and imperial culture at Numazu Goyotei.

#### [Example Schedule]

- 10:00 Conference at the East House of Numazu Goyotei.
- 11:00 Section Meeting (East House)
- 12:00 Lunch
- 13:00 Conference (East House)
- 14:30 Tour of the West House of Numazu Goyotei with a Guide.
- 15:30 Tea ceremony with Japanese sweets (West House).
- 16:30 Leave Numazu Goyotei.
- Available All Year (except for occupied days and the end/beginning of the year.)
- Capacity: 10-20 people.

### [MOA MUSEUM OF ART / NOH THEATER]

#### Convention on the Noh Stage

26-2 Momoyama-cho, Atami-shi, Shizuoka 413-0006 <http://www.moaart.or.jp/>

You can hold a convention in a unique Noh Theater, with an elegantly understated hinoki (Japanese cypress) stage, pine tree backdrop, and traditional housetop over the stage. Small and large meetings and symposia are possible because of movable pillars and simultaneous translation capabilities. You can also see the restored residence of Ogata Korin (a Japanese famous painter in the late 17th to the early 18th century), as well as beautiful gardens surrounded by seasonal flowers and trees. Now this is "Cool Japan" !

#### [Example Schedule]

- 10:00 Symposium
- 12:00 Lunch
- 13:00 Museum tour
- 15:00 Tea ceremony with Japanese sweets at a tea house
- 16:00 Move to accommodation in the city.
- Capacity:500 people
- \*This plan is only available for conferences related to the cultural or educational purposes.
- \*A restaurant in the museum can serve 30 diners at a time.

### [Kano River Floodway]

**Explore huge river tunnels**

467-2 mamanoue, Izunokuni-shi, Shizuoka 410-2204  
<https://www.cbr.mlit.go.jp/numazu/river/shiryokan/>

The Kano River, which flows from south to north in the northern part of the Izu Peninsula, often has floods due to the high rainfall areas upstream. The topographical shape it embraces and the flood control of this river has long been a major challenge in the river basin since long ago. The Kano River Floodway is an artificial canal built to protect people's lives from flood disaster. The construction started in July, 1951, but paused due to the Kanogawa typhoon; it was completed in July, 1965.

How about joining us in touring this great infrastructure with an experienced geoguide?

**[Example Schedule]**

10:00 Kano River Museum

10:30 Tour of the floodway tunnels

11:30 Departure from the Kano River Floodway

■Available all year

■Capacity: 5-40 people
