No. 212

There have been many incidents of bicycles being stolen!!

Number of bicycle thefts in Shizuoka Prefecture from

757 units

Five bicycles are stolen
per day !!

~Unlocked bicycles~

About 70% of the stolen bicycles were left unlocked.

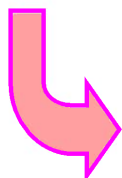

~Location of theft~

Approximately 40% occurred at residential homes or apartments, and 25% occurred around train stations.

~Protecting Your Valuable Bicycle~

- Lock your bicycle when you leave it unattended even for a short time.
- Aside from the built-in lock, secure your bicycle with a chain lock.
- Always lock your bicycle even when you park it at home.

Do not forget to always lock your bicycle!!
